## What prevents you from using the space more often?

What prevents you from using the space more often?

The availability. More building should have reflection room

I use it as much as I need to

It's not cleaned often enough

The mosque is near by

I don't feel like I need to

Boys in the same space as girls

Sometimes I have to wait for individuals from the opposite gender to finish praying

Limited quantity

I don't need to use it more often

Other people using the space

Sometimes the door is locked

I would like if we could have a reflection room in engineering hall (my building). It is mildly annoying to walk to union south for prayer everytime

I like praying at my apt

## How can we make the space more usable and accessible?

How can we make the space more usable and accessible?

---

Accessibility is good for now

add foldable chairs

Add more Qurans please, and maintain the rooms by vacuuming please

Have two rooms one for men and other for women

Remove some of the circular chairs

Better ventilation for the room.

Make it cleaner

Maybe by adding some partition

Keep it unlocked all time

Clean it and maintain regularly

Preparation station

I think it's pretty good

Maybe include a chair for those with handicaps

Maybe remove large circular seats in the room, take up a lot of space and no one really uses them

Make more across the campus

## What cleaning standards would you like to see for the space?

What cleaning standards would you like to see for the space?

Tidy and clean is enough for me

Vacuum the carpet often

Vacuum maybe twice a week

very clean (especially the carpet)

Please vacuum, maybe replace the rugs.

Clean

Very clean

Much higher

No dust and things on the ground

Moderate

Vacuumed regally and generally clean (sometimes I would find dust on the shelf)

Weekly vacuuming

Cleaner carpet, regular cleaning on equipment

The carpet needs to be cleaned more often

It should be cleaned 3-4 times per week

Place must be clean, no shoes inside

Odor control

It is pretty clean as is

Would you like the room to be a different color?

Keep the same color (61%)

White/Cream(22%) Other (10%)

## What other suggestions do you have for the space?

What other suggestions do you have for the space?

More building should have it

quran stand

Wudu station is a must!

Have the direction of the qibla ready

Make reflection rooms on more buildings across the campus (separate room preferably, like the one in union south)

Make it only for prayer, since only Muslims come here to pray

.

I think the carpet should be much cleaner and the room should be cleaned more often And the trash cans should be fancier

Maybe a bigger room for the future :)

More cleaning maintenance :)

Please add a proper preparation station like a sink near the room

The carpet needs to be washed

Carpet change

I love the reflection room, I only wish there was one in Engineering hall for ease

## **Reflection Room Subcommittee**

During November of 2022, a survey was conducted of the users of the Reflection Room. The Facilities Advisory Board subcommittee came together and analyzed the survey results. Those results were compiled into a list of modifications and additions.

The Facilities Advisory Board subcommittee recommends to Union Council the Reflection Room change or add the following items:

Immediate Term (During Winter break/early Spring 2023):

1. Add an arrow to the floor indicating the direction of the Qibla
2. Implement more frequent cleaning and vacuuming plan
3. Remove large round chairs
4. Replace worn area rug with a new rug

Mid-term (Summer 2023)

5. Remove the rules on the outside of the space and replace with a more inviting sign, designed by Union Marketing. Place the rules on the interior of the room as to remain visible
6. Label shoe rack as use for shoes only
7. Add a credenza for storage of personal items
8. Add artificial plants and greenery to the space
9. Add movable partitions to the space
10. Replace white lights with warmer color
11. Have Union Marketing run a campaign to promote the updated space

Long-term

12. Implement a preparation station near the room. Possible location is 3rd floor pantry (351) across from the Northwoods room.

Privacy:

13. Add a scheduling system to allow the space to be reserved (15 minutes)
14. Restrict usage to just prayer during designated times
